

The Troop has invested in an upgrade that allows you to view your scout's advancement records on-line. It will always show real-time advancement records, so if your scout's record is updated at the meeting, you will be able to see it immediately.

It's real easy:

1. Log on to [www.scouttroop155.org](http://www.scouttroop155.org)
2. Click on the advancement link on the right side of the home page.
3. Enter "scouttroop155" for both userID and password
4. You will be directed to create your own userID and Password and enter your name and email.
5. Select your son(s) name.
6. Press the Create Account button, then you are done.

You will be able to view and update personal info. PLEASE DO THIS.

You will also be able to view your scout's advancement records, run reports on advancement that is needed, view activities that he has been on.

Carolyn Muha (Advancement Committee Chair) and Steve Reed have access to lookup your userID and Password, in case you ever forget it. Please don't create duplicate entries for yourself.

Let us know if you have any questions.
